Your ticket to lower scores in 2009...improve your game fast and have a great time doing it.

If you were a member last year, you know this is the best time to join. It's early in the year so you'll get the most out of your annual range privileges. And membership includes a 20% discount on lessons from our swing doctor, PGA Pro "Dr." Ed Evans.

Visit www.deerrungolfrange.com for all the details and a membership application.

Oh, and while you're visiting our website, don't forget to sign up for stroke saving advice from The Swing Doctor every week in your email.

So, if you want to play better golf, click on www.deerrungolfrange.com or call 853.GOLF (4653).

Looking forward to seeing you at the range,
Jim Benson

PS. Not sure about joining? Try us out anytime between now and April 5, 2009 and bring a copy of this email. If you decide to join, we'll reduce the price of the membership by the cost of your first bucket.
