We diligently protect your rights and work toward dismissal or acquittal. For wrongly accused we help you navigate law enforcement and the court system to get to the truth.

## How We Help in Your Criminal Case

A felony conviction stays on your record for life. Punishments can be severe. Convictions can affect your job prospects and it becomes more difficult to finance a house or business. You may even be facing a jail sentence.

But even though you have been arrested, you still have legal rights that must be protected. This is where our experience as criminal lawyers can help. When you come to us, our primary goals are dismissal of the case or reduction of the penalty.

### Your rights are guaranteed by the U.S. Constitution

Due process protects your rights from the moment of arrest and at every stage of the process, including a fair hearing. There must be probable cause for your arrest. And issues of custody and interrogation on the part of the police may unfairly incriminate you.

Police must believe that a crime has been committed and that the suspect has committed that crime. And, of course, you have the right to counsel that will ensure that every one of your rights are protected.

**AS CRIMINAL LAWYERS, WE STAND UP FOR YOUR RIGHTS AND PROTECT YOUR FREEDOM**

We realize that navigating law enforcement and the criminal justice system can be overwhelming. It is difficult to understand the complex legal process or the seriousness of the penalties you could face.

THEY INCLUDE GUARANTEES OF DUE PROCESS AND EQUAL PROTECTION UNDER THE LAWS.

## Your Rights After Criminal Charges

**THE RIGHT TO CONFRONT WITNESSES**

**THE RIGHT TO HAVE LEGAL COUNSEL PRESENT**

**THE RIGHT TO A JURY TRIAL**

**THE RIGHT NOT TO TESTIFY AGAINST ONESELF.**

We have represented clients in felony and misdemeanor cases in Oneida, Herkimer, and Madison County Court. Everything from embezzlement and other white collar crimes to assault and drug offenses.

We have found over the years that overzealous law enforcement can cost you unwarranted fines and/or imprisonment. We are here to protect your rights and see that your case is adjudicated quickly, ethically, and professionally.
